## Peter Stokes

Labour Parliamentary Candidate

*The next election is a straight choice between a Labour Government fighting for hard working families and the NHS, or five more years of the Tories putting the most privileged first.*  
*I was born and raised in the Bournemouth area and attended Portchester School in the early 60's. For the past 36 years I have worked in the oil and gas industry, mainly in the North Sea, latterly in Africa. I am asking you to cast your vote for a better future for all. Vote Labour*
